It's an environmentally wise choice and it cuts down on paper clutter in your home or office. It's a safe and convenient way to get your bank statement directly through your computer.

Previous bank statements can easily be retrieved on your computer. Avoid the chance of someone snatching your account statement from your mailbox by switching to eStatements. It only takes a few minutes to GO GREEN with eStatements. Ask any friendly bank employee to help you and answer any questions. If you already use PC Banking, you can easily make the switch to eStatements yourself.
